The club's focus on industry-relevant training, mentorship programs, and networking opportunities has undoubtedly contributed to these outstanding results.

Competitive Programming:

The CoDeC club also fosters a strong competitive programming culture. The club team, "CoDeC Barbarians," showcased their exceptional skills by achieving a remarkable 172nd rank out of 219 participants at the prestigious ICPC Amritapuri Regionals. This achievement is particularly noteworthy considering the strong competition from top institutions like IITs, IIITs, NITs, BITS Pilani, and VIT Vellore. This success underscores the club's commitment to honing the problem-solving and algorithmic skills of its members.

The club team, "CoDeC VAN" showcased their exceptional skills by achieving a remarkable 1172th ranked participants at the prestigious ICPC in all India online round in ICPC 2025.

Speacialised Trainig and Merit Programs:

- **AlgoZenith Tech Nurture Program:** Over **30+ CoDeC members** were selected for this rigorous placement readiness course. Our members represent a significant portion of the top 250 students chosen from the Department of EEE (DoEEE) and Department of CSE (DoCSE).

- **iOS Development Program:** More than **15+ members** secured spots in this specialized program among the **top 100 students** overall, with selection based strictly on advanced DSA contests.
